

Siksika Nation 2013 Flood

Sharon Howland
President, RCA

June 20th, 2013

Floods impacting
Southern Alberta
including: High
River, Calgary and
Siksika Nation

June 30th, 2013

- Province of Alberta gets involved
- Alberta Environment Dave Whitfield

Strategic Approach to Clean Up

- 80 KM end to end
- 5 communities impacted
- Bridges and roads washed out
- 2 temporary waste transfer stations
- Distribution of roll off bins throughout
- Special collection for HHW/Paint, Electronics and Appliances

Clean Up

Collection and Transfer

August 24, 2013

- Last load hauled from temporary transfer stations

Quick Stats

- 163 homes impacted
- 1151 MT Waste to Landfill
- 820 loads (15 yd) hauled to 2 transfer stations
- 4 MT of E-waste recycled
- 1 MT of HHW/Paint diverted
- 50 MT of white goods recycled (124 fridges)

Challenges

- Jurisdiction
- Emotional health of residents and volunteers
- Volunteer based clean up
- Compressed timeframe
- Low density and isolated locations
